Re: resubmittal of complete In Forma Pauperis application for civil case no. C 07 4464 and related questions.

On August 31, 2007 I received the endorsed copy of my civil 1983 complaint along with notification that my In Forma Pauperis application was deficient for several reasons. As I stated in my letter which was enclosed with my civil complaint, there was a misunderstanding here which prevented me from sending the In Forma Pauperis application together with a signed certificate of Funds in Prisoners Account. I did send you this certificate of funds separately, however, in an attempt to honor your notice and to make things easier on the court, I am enclosing a new (endorsed by you) In Forma Pauperis application as well as a signed certificate of funds printout along with an extra copy for the court. I pray that this new application meets all the court's requirements.

I want to address two issues with you:

- 1) On your reasons for my application being deficient you checked and underlined the box stating that I didn't sign my application. This is incorrect, I did sign the application. To avoid any further misunderstanding, IKK is my legal signature.
- 2) You did not notify me whether the court would honor my request to serve the defendant with both a copy of the complaint and the summons. I provided the court with an extra copy of both for that reason.

I thank you and the court for your time and understanding.

Sincerely,

Isaiah Williams K-23769
